## Elul-Tishrei

### MONTH OF ELUL: Divine Grace

When a king returns to his palace, he passes through nothing fields. Anyone may approach him, and he grants all with a shining countenance.

Classic masters compare the month of Elul to when the King is in the field. G-d is available to all who turn to Him. He graciously accepts all requests.

Elul is an appropriate time to reflect on the past year and resolve to correct any shortcomings. It is a time to turn the page and come into the new year with a refreshed perspective and renewed heart.

Some of the observances during Elul:

- From now and throughout the High Holiday season, we include the blessing "May you be reached and asked for a good year" (Ga'harah t'vach - v'achshavim) in letters and greetings to one another.

- We give extra charity and devote more time to studying our tradition and Torah.

- In preparation for Rosh Hashanah, we hear the sounding of the shofar from Shofar each weekday.

- We recite Psalm 27 at the end of the morning and afternoon prayers from the first day of Elul through Rosh Hashanah (Tishrei 21) - a total of 55 days.

- The Baal Shem Tov instituted the custom of reciting three additional chapters of Psalms each day from Rosh Chodesh Elul until Yom Kippur. On Yom Kippur the remaining chapters are recited, completing the entire book of Psalms.

Elul is the time to have one's tefillin and mezuzot checked by an accredited scribe to ensure that they are in good condition and fit for use.

### ROSH HASHANAH: Sep. 30-Oct. 1

Rosh Hashanah celebrates the beginning of creation. On this day, G-d charged Adam with the responsibility of helping the world reach perfection. Rosh Hashanah, therefore, is a time for us to reflect on the purpose of creation and resolve to make our lives more meaningful by contributing to all of creation.

**The Shofar:** On Rosh Hashanah we hear the sounding of the shofar, the ram's horn. It is the oldest and most soulful of wind instruments, sounding like a primal outcry from the depths of the soul. Its blasts signify our proclamation of G-d as King of the universe and awaken us to repent and return to Him.

**Tashlich:** On the first afternoon of Rosh Hashanah it is customary to visit a natural body of water that contains fish. There we recite a short prayer and "cast" our past sins down the river of time.

**Apple & Honey:** Chipping a piece of apple into honey at the first meal of Rosh Hashanah symbolizes the hope that our new year be blessed with sweetness and goodness. For the same reason, it is customary to eat other sweet foods, such as simnomes.
